Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Sunday 25 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Largely dry with sunny spells. Showers possible in the east.

Today:
A largely dry day in the west with sunny spells. However, the south coast and eastern areas may see some showers, possibly thundery. Overall, feeling warm. Maximum temperature 25 deg C (77 deg F).

Tonight:
Any showers will soon die away to leave a dry evening for all. Overnight there will be plenty of clear skies and remaining dry. Another mild night. Minimum temperature 13 deg C (55 deg F).

Monday:
After a dry start, scattered showers will soon develop in the afternoon with sunny spells in between. Showers could be heavy and thundery at times. Warmer but breezy along coasts. Maximum temperature 27 deg C (81 deg F).

Outlook for Tuesday to Thursday:
Turning unsettled throughout with outbreaks of rain, showers and some sunny spells. Showers could turn heavy at times with thunder and hail. Breezy especially along the coasts and feeling cooler.
